

THE CROSSROADS

The Crossroads of Northwest Ohio

Get Busy Living

www.crossroadsofnwo.com

OUR PLAN

Since its inception, Crossroads of Northwest Ohio, LLC has been working to plan and coordinate a large, mixed-use development, intended to improve the lives of the people in Northwest Ohio.

- ✓ Residential
- ✓ Restaurant
- ✓ Hotel
- ✓ Commercial
- ✓ Entertainment
- ✓ Mixed Use

We have been working with a strong team of industry professionals, all of whom have a proven track record in unlocking the value in sites and translating client and investor visions into a reality.

BLENDING BUSINESS, RETAIL AND RESIDENTIAL

Plans are underway for multiple housing options: Apartments, townhouses, condominiums and single-family homes. Many of the apartments and condominiums will be in mixed-use portions of the development, allowing residents to eat, shop, and exercise close to home.

Dr. Nicholson has been committed to the people of Lima and the surrounding region for the 11 years he has lived and worked as a Urologist in the community. He currently serves as the Medical Director of the Urology Service Line and the Director of the Robotic and Minimally Invasive Surgery program for the Kettering Health Network. He is working to improve the community through his work as a Urologist and through Crossroads of Northwest Ohio.

Josh Bloomfield

Program Director, The Crossroads of
Northwest Ohio
